Dear Members

Please read carefully

CPAS Awards Exhibitions at the Hunter Street Gallery.

For some time, the committee has been concerned that those members who regularly support our exhibitions throughout the year have to compete for recognition at the CPAS Awards Exhibition with people who only join the society in the weeks leading up to the exhibition, wishing to take advantage of the generous prize money on offer.

The prize money we offer for the Awards Exhibition is drawn from your accumulated entry fees for the exhibitions held throughout the year. We feel that it is important that we ensure our members are not disadvantaged when the Awards Exhibition takes place.

In order to do this, the committee has decided to make the following changes to entries for future Awards Exhibitions.

To be eligible to enter the CPAS Awards Exhibition also known as Parramatta Awards Exhibition:

Members must have exhibited at the CPAS' Hunter Street Gallery of Fine Arts at least three (3) times during the year of that Awards Exhibition. (Winston Hills Exhibition may be counted as one of these three.)

**Best regards
CPAS Committee**
