

CPAS at FOUNDATION DAY EVENT HAMBLEDON COTTAGE 1st Nov 2025

CITY OF PARRAMATTA ART SOCIETY

CPAS was delighted to be invited to participate in Foundation Day, held at Hambledon Cottage on 1st November. As an Art Society we have an historical association with Hambledon Cottage and a long association with Foundation Day Events.

Together with our wonderful committee members, Scottie Randall, Angus Lockhart, Jenny Miller, Caroline Pullinger and family and friends, we set up and manned the stall for the day.

There was a lot of interest in the society, classes, membership and art work on sale throughout the day and we were thoroughly entertained by musicians, a festive atmosphere, great stalls and re-enactments of days past. It was lots of fun, great to meet with other local societies and to have the opportunity to promote CPAS in the local community.
